Palazzo San Gottardo Lake Como

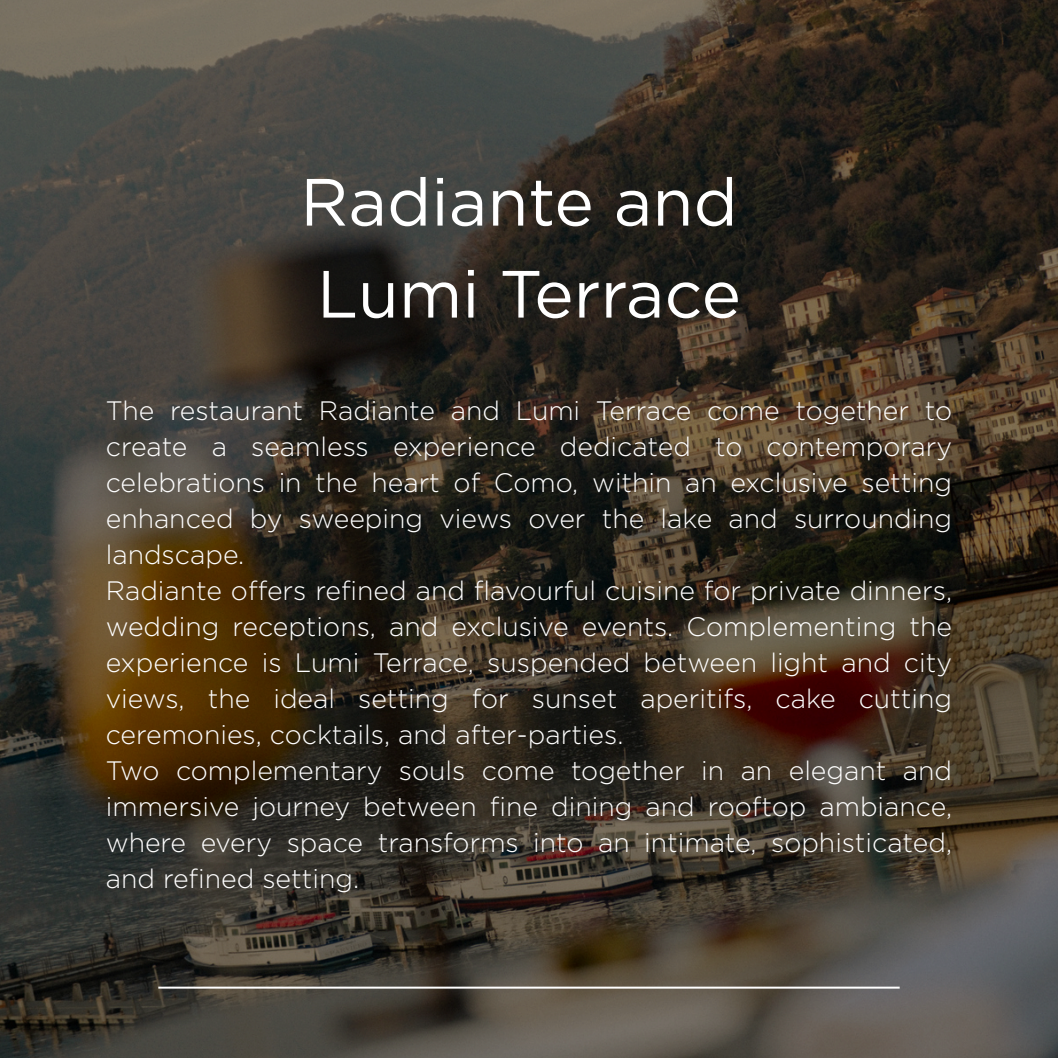

A RADISSON COLLECTION HOTEL

Reopened a century after its inauguration in 1926, Palazzo San Gottardo, a five-star luxury hotel, combines urban hospitality with the services and atmosphere of a refined resort.

Featuring 70 rooms with sophisticated contemporary design, the property welcomes both exclusive stays and experiences connected to weddings and private events. Among them are 2 spacious suites and 13 junior suites, ideal for the bride's and bridesmaids' preparations thanks to their bright interiors, generous spaces, and intimate, exclusive atmosphere — while also providing the perfect setting to experience the magic of the wedding night.

Palazzo San Gottardo represents the perfect meeting point between contemporary hospitality and the elegance of a truly special occasion.

Radiante and Lumi Terrace

The restaurant Radiante and Lumi Terrace come together to create a seamless experience dedicated to contemporary celebrations in the heart of Como, within an exclusive setting enhanced by sweeping views over the lake and surrounding landscape.

Radiante offers refined and flavourful cuisine for private dinners, wedding receptions, and exclusive events. Complementing the experience is Lumi Terrace, suspended between light and city views, the ideal setting for sunset aperitifs, cake cutting ceremonies, cocktails, and after-parties.

Two complementary souls come together in an elegant and immersive journey between fine dining and rooftop ambiance, where every space transforms into an intimate, sophisticated, and refined setting.

A woman with dark hair pulled back, wearing a white lace dress, is leaning her arm on the wooden railing of a boat. She is looking out over a body of water, which is Lake Como. The background shows the greenish-blue water and the wooden structure of the boat. The overall mood is elegant and serene.
