W elcome to Alfred's by Park Inn by Radisson, Aberdeen

Step into a story of whisky and wondering. Inspired by Alfred Barnard's epic 19th-century journey through the distilleries of the United Kingdom, Alfred's whisky bar pays tribute to the rich heritage of whisky and the people who craft it.

Alfred Barnard chronicled over 160 distilleries in his travels - capturing not only the character of the spirit, but the soul of the places that made it. Here in the heart of Aberdeen, a

city shaped by industry, innovation and Highland hospitality. Enjoy exploring a curated selection of whiskies, cocktails and fine drams that echo Alfred Barnard's footsteps. Your whisky choices are as true to his work of 1887, including as many distilleries as possible from his book.

Ask an Alfred's host to show you the entry of the whisky you are drinking in his original book. Let curiosity be your compass and whisky your sail.
