Our Services

Welcome to The Spa At Radisson Blu Hotel Cebu. We invite you to immerse yourself in a multi-sensorial journey that will take you to new levels of well-being. Using an innovative approach that harnesses the power of moods, we can tailor-make experiences to reach into your soul.

ALGOTHERM

Focused on skin wellness, and renowned for its expertise in marine cosmetics, Algotharm has become an internationally recognized name in the world of spa therapy.

The first brand in marine cosmetics to formulate paraben and phenoxyethanol-free products, Algotharm offers a wide range of treatments that provide unmatched beauty and well-being.

Exceptionally rich in bioactive molecules, seaweed contains vitamins, micronutrients, minerals, antioxidants, proteins, amino acids, and essential fatty acids (Omega 3, 6 and 9), this unique DNA provides powerful effects on your skin, and its special biodiversity is the cornerstone of Algotherapy.
