OUR STORY

ORO The Bar is where urban sophistication meets electric nightlife energy. Designed for those who appreciate style, sound, and spirited indulgence, ORO sets the tone from the very first beat. Warm bronze accents, plush seating, mood lighting, and a vibrant dance floor come together to create an atmosphere that's effortlessly chic and irresistibly lively.

The space encourages movement, conversation, and connection, whether you're here to unwind or turn up the night. At the bar, premium spirits, fine wines, and handcrafted cocktails take centre stage, curated by expert in-house mixologists who blend creativity with precision. Each signature drink is crafted to delight both the eye and the palate.

Complementing the drinks is a thoughtfully curated menu of Oriental, Indian, and Western bites, perfect for sharing and indulgence. Bold flavours, stylish presentations, and a high-energy vibe define every experience. At ORO, music, mixology, and mood unite, creating nights that don't just end, they linger.
