

Booking for someone else

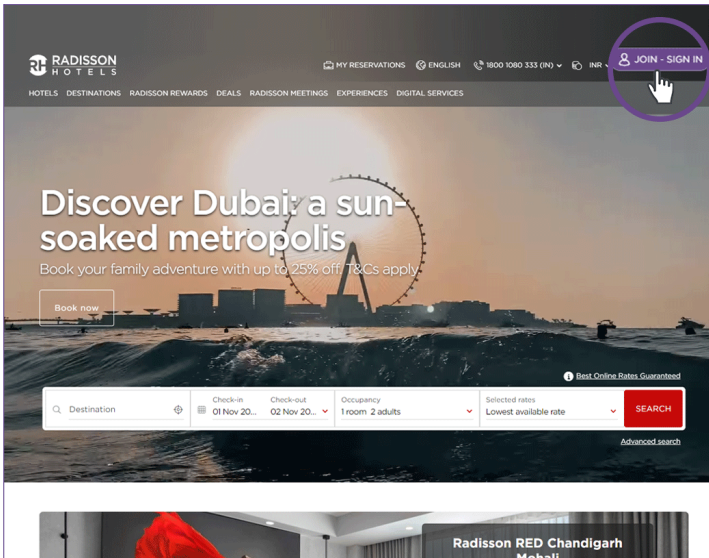

By following these steps to book hotels for their colleagues, Travel Agents or Travel Arrangers can earn 10 points per 1 U.S. Dollar when they choose Radisson Hotel Group.

Their travelers who are members of Radisson Rewards can also earn points for their stay.

STEP 1

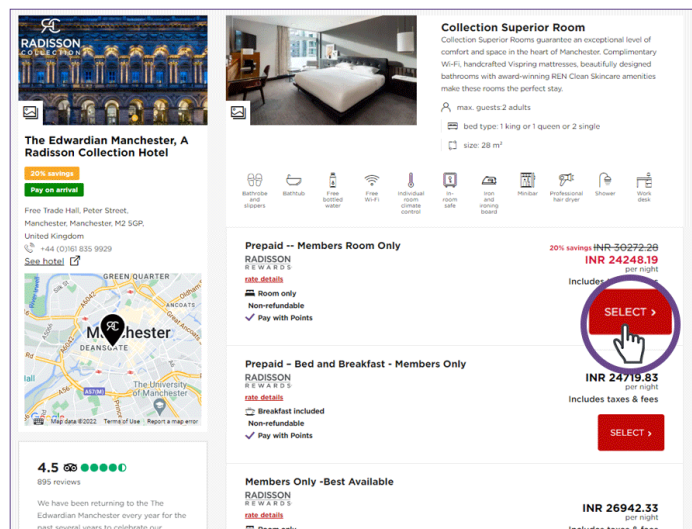

SIGN IN to your Radisson Rewards account.

Enter your destination in the booking search panel and it will take you to the booking page where you can select hotel and stay dates, and enter your corporate ID or IATA number (if applicable). The IATA number can already be included in the search panel under Selected rates - Travel agency ID

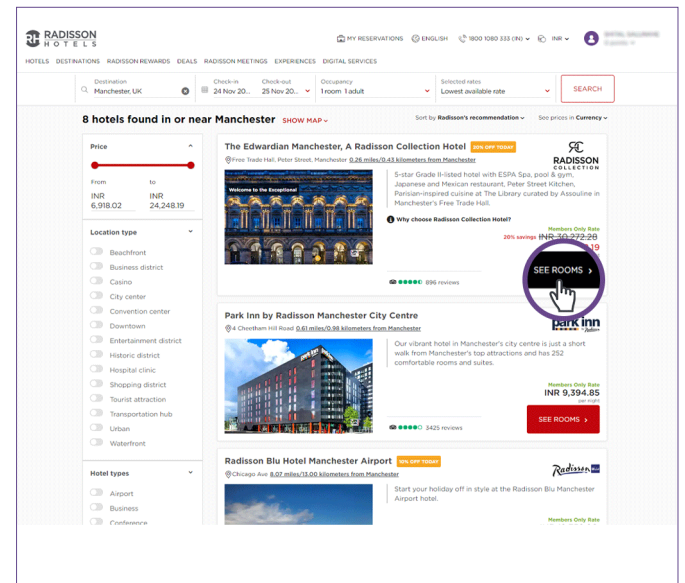

STEP 3

Select the desired room type/rate. Book a lower rate for your travelers who are enrolled in Radisson Rewards by choosing a Members Only Rate for their trip.

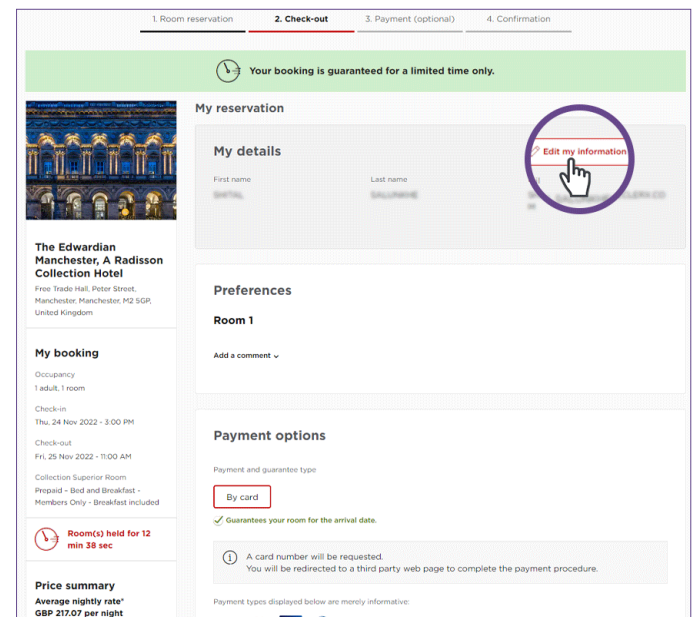

STEP 2

Select a hotel in your traveler's destination.

STEP 4

You are now at the checkout screen that summarizes the reservation. Click **"Edit my information"** to add your TRAVELER'S information. Include the traveler's Radisson Rewards membership number if they are a member so they can earn points and benefits.

STEP 5

In the **“My details”** section, click the drop down menu labeled **“Booking for”** – choose **“another guest.”**

This will allow you to add or edit the name, address, email address and Radisson Rewards membership number of the traveler.

STEP 6

Recap of the booking. The name you entered for **“another guest”** will be prepopulated in the Preferences section – review for accuracy.

If the guest they are booking for is a member, enter the RR number and name/surname of the guest. Doing this, the booker being B2B member, both the guest and the booker would earn points

If the guest is not a member, the RR field needs to stay empty. Please note that the booker being a B2B member, **they would still earn the points, without any need to enter their RR number, everything is automated since they are logged in.** The field within the form is made for the RR number of the guest staying only
