RADISSON
MEETINGS

welcome

We understand that, whatever the occasion, the stakes are high. So, you want the best experience for your attendees.

When we work together, you can rest assured that your event is in good hands. Our Radisson Meetings concept and the solutions we design for you always keep the three pillars of a successful event at their core: personal, professional and memorable.

Personal

We place you and your needs at the heart of our offer, making sure that we bring your vision to life.

You'll have your own dedicated point of contact for the event who'll work with you as though they're part of your own team. They'll partner with you to coordinate and will ensure everything goes as planned.

Professional

You can be confident that you'll benefit from a great experience and a consistent, superior service. We provide you with everything you need to make your event a success: from modern audio-visual technology and free Wi-Fi to stationery, sufficient power sockets, chargers and adapters.

Memorable

We want to surprise and delight your delegates by creating a memorable experience. When choosing our hotel, you can expect add-ons and personal touches that will help turn a successful meeting or event into a memorable one.

A red Ferrari Formula 1 car is suspended from the ceiling of a modern lounge. The car is a classic open-wheel design with a prominent front wing and a large rear wing. It is hanging by its chassis, showing the underside. The lounge below has a wooden floor, a brick wall with colorful circular decorations, and a seating area with green and orange armchairs and a table. The ceiling is white with several pendant lights.
