PARK PLAZA NUREMBERG

PARK PLAZA NUREMBERG LIES IN THE HEART OF THE CITY WITHIN EASY REACH OF THE NÜRNBERGMESSE, THE HISTORIC OLD TOWN AND THE UNIQUE BOUTIQUES IN KAISERSTRASSE AND BREITE GASSE.

Situated in southern Germany, Nuremberg is half way between Munich and Frankfurt, making it the ideal location for meetings, conferences and events. As Bavaria's second commercial centre, Nuremberg is well known for its leading international trade fairs, such as Spielwarenmesse, FachPack and Consumenta.

The hotel is opposite the main station and is convenient for Germany's A3, A9 and A6 motorways and international airport, which is 7.7 km away and 12 minutes by subway.

At Park Plaza Nuremberg we pride ourselves on our service. Our hotel benefits from being part of a fast-growing group where all employees are encouraged to bring their own individual strengths and passion to the team.

RESTAURANTS AND BARS

A true meatlover's paradise, the BA Beef Club restaurant serves premium steaks and artisan burgers, all lovingly prepared in a Jospier oven. The menu has a distinctive Bavarian/American flavour, a nod to the building's past incarnation as the Bavarian American Hotel. Simple, confidently executed plates are complemented by regional beers and wines, along with our signature cocktails. With its warm and mellow ambience, deep, comfortable seating and lively crowd of night owls, it's the ideal place to settle in for the evening.

A rich and fulfilling breakfast buffet is served every morning in the Travertine room, while in-room dining is available around the clock. And for a wide choice of light bites and American sliders, the Bavarian American Bar is the place to be. The bar also serves a tempting mix of German and American drinks, including American bourbons and Bavarian whiskeys, top quality wines, local beers and Nuremberg-inspired cocktails.

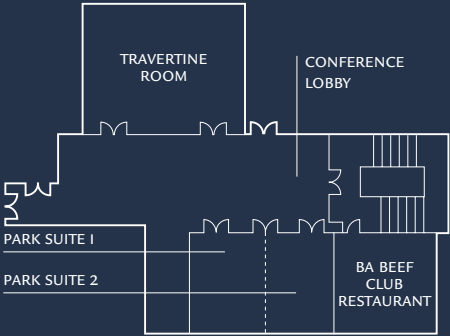

MEETINGS AND EVENTS

Seven contemporary conference rooms combine to offer 256m² of flexible meeting space for up to 70 delegates, making the hotel ideal for small meetings and social events.

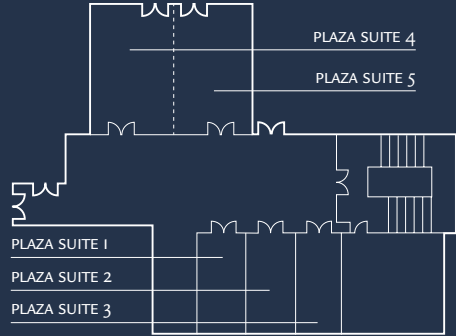

All meeting rooms feature complimentary high-speed Wi-Fi, air-cooling, cutting-edge audiovisual systems and bespoke lighting control. Video conferencing facilities are also available.
